HOUSE No. 1227

By Mr. Carvalho of Boston, a petition (accompanied by bill, House, No. 1227) of Evandro C. Carvalho and others relative to the process for the investigation of officer-involved deaths. The Judiciary.

The Commonwealth of Massachusetts

**In the One Hundred and Eighty-Ninth General Court
(2015-2016)**

An Act relative to maintaining the integrity of the judicial system.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 12 of the General Laws, as appearing in the 2012 Official Edition,
2 is hereby amended by inserting after Section 26, the following section:

3 Section 26A.

4 Whenever used in sections 26A to 26B, inclusive, of Chapter 12 of the General Laws,
5 unless the context shall otherwise require, the following words or terms shall have the following
6 meanings:

7 “Applicable cases” shall be defined as cases of death involving one or more current
8 members of law enforcement.

9 “Member of law enforcement” shall be defined as any member of a municipal police
10 force provided for by section 97 of Chapter 41 of the General Laws or any member of the state
11 police force provided for by section Chapter 22C of the General Laws.

12 “Officer-involved death” shall be defined as the death of any individual which directly
13 resulted from the use of lethal or non-lethal force by any member of law enforcement.

14 SECTION 2. Chapter 12 of the General Laws, as so appearing, is hereby amended by
15 inserting after Section 26A, the following section:

16 Section 26B.

17 (a) Preliminary Investigation

18 The Attorney General shall conduct a preliminary investigation whenever they receive
19 information sufficient to constitute grounds to investigate an officer-involved death. The
20 Attorney General’s preliminary investigation shall: 1) determine whether an officer-involved
21 death has occurred, 2) determine which member or members of law enforcement were involved
22 in the officer-involved death, and 3) make a recommendation on whether further investigation is
23 warranted, with respect to each individual member of law enforcement involved. If the Attorney
24 General recommends that further investigation is warranted, they shall also recommend a scope
25 of prosecutorial jurisdiction for any special prosecutor that might be appointed pursuant to
26 subsection (b) of this section in relation to this incident.

27 The Attorney General shall make such determinations not later than 90 days after the
28 preliminary investigation has commenced. Upon the completion of the Attorney General’s
29 preliminary investigation, the findings shall be sent to the Governor. The Attorney General may
30 request a single 60-day extension to complete their initial preliminary investigation by a written
31 request to the Governor.

32 If the Attorney General’s preliminary investigation determines that an officer-involved
33 death has not occurred, they shall release to the public findings from their investigation that
34 demonstrate that either, 1) no member of law enforcement exercised lethal or non-lethal use of
35 force upon the deceased individual, or 2) that the death of the deceased individual could not have
36 directly resulted from the lethal or non-lethal use of force by a member of law enforcement.

37 In conducting a preliminary investigation under this section, the Attorney General shall
38 have no authority to convene grand juries, plea bargain, grant immunity, or issue subpoenas.
39 During a preliminary investigation conducted pursuant to this section, the Attorney General shall
40 be considered a district attorney for the purpose of chapter 38.

41 If additional information related to a specific officer-involved death is received by the
42 Attorney General after a preliminary investigation into that incident has concluded, and that
43 information is sufficient to constitute grounds to re-investigate the incident, the Attorney General
44 may conduct an additional preliminary investigation into the matter. If the Attorney General
45 conducts an additional preliminary investigation into the matter, they may send the Governor
46 amended findings of their preliminary investigation within 90-days.

47 (b) Appointment of a special prosecutor

48 Whenever the Governor receives from the Attorney General the findings of a preliminary
49 investigation into an officer-involved death which recommends a further investigation is
50 warranted, the Governor will appoint a special prosecutor to conduct a full investigation of that
51 officer-involved death. If the Governor receives from the Attorney General the findings of a
52 preliminary investigation into an officer-involved death which determines that no further

53 investigation is warranted, the Governor may appoint a special prosecutor, at his or her
54 discretion, to conduct a full investigation of that officer-involved death.

55 The Governor shall appoint a special prosecutor for no longer than 2 years, and shall
56 submit a budget and request for an appropriation of funds to the clerk of the house and senate
57 who shall forward the report to the speaker of the house, the president of the senate, the chair of
58 the house committee on ways and means, and the chair of the senate committee on ways and
59 means.

60 The Governor shall submit to the Attorney General a scope of prosecutorial jurisdiction
61 for a special prosecutor appointed pursuant to this subsection. This scope of prosecutorial
62 jurisdiction shall be approved at a hearing before a judge in the superior court, in which attorneys
63 for any members of law enforcement who were determined to be involved in the officer-involved
64 death in question may appear and be heard.

65 When selecting a special prosecutor, the Governor shall consider the perceived
66 independence, the credibility, and competence of their appointee.

67 (c) Requests for additional time or resources

68 Any special prosecutor appointed pursuant to subsection (b) of Section 26B of chapter 12
69 of the General Laws may request an extension of their term by a written request to the Governor.

70 Any special prosecutor appointed pursuant to subsection (b) of Section 26B of chapter 12
71 of the General Laws may request additional resources or funds by a written request, the
72 submission of a supplemental budget, and an explanation of their need for additional funds to the
73 Governor.

74 (d) Investigation

75 In investigating and prosecuting applicable cases within their prosecutorial jurisdiction, a
76 special prosecutor shall have all the powers and duties of a District Attorney; provided that a
77 special prosecutor shall not have the power to empanel grand juries.

78 (e) Bringing charges against a member of law enforcement

79 A special prosecutor may bring charges against a member of law enforcement that are
80 within the scope of their prosecutorial jurisdiction only after presenting evidence on behalf of the
81 Commonwealth at a hearing before a judge in the superior court, in order to determine whether
82 probable cause exists for the State to bring criminal charges against the member of law
83 enforcement.

84 A hearing held pursuant to this subsection shall be conducted as a probable cause hearing
85 pursuant to the Massachusetts Rules of Criminal Procedure; provided that the court shall remain
86 open to the public, except as determined appropriate by the presiding judge.

87 (f) Prosecution of charges against a member of law enforcement

88 Special prosecutors appointed pursuant to subsection (b) of section 26B of Chapter 12 of
89 the General laws shall appear for the commonwealth in superior court for all applicable cases
90 within their prosecutorial jurisdiction in which the commonwealth is a party or interested, and in
91 the hearing, in the supreme judicial court, of all questions of law arising in the cases of which
92 they respectively have charge.
